PSD Number	2401-0146
Product Type	Decorative Articles - Magnetic Gemstones
Product Identifiers	Models: Power Magnet Gemstones Pack (fill a pouch); Hematite Magnetic Gemstones (top-up); Iridescent Hematite Magnetic Gemstones (top-up); and Iridescent Power Magnet Gemstones Pack (fill a pouch) Model Numbers: FGS532 and FGS550
Product Description	Small, high powered hematite gemstones sold in fill a pouch and top up form. Although intended solely for use by ages 14 years plus, the magnets have a strength that exceeds permitted safety levels for toys.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Choking and Injuries
Risk Description	<p>The product has been identified as presenting a serious risk of choking and internal injuries due to the presence of small parts as received. A young child may place a small part in their mouth and choke.</p> <p>The magnet was also found to have a magnetic flux index of 240 KG²mm², greater than the maximum permissible level of 50 KG²mm². Small, high-powered magnetic products can be easily swallowed and, when ingested, have the potential to cause serious internal injuries within the gastrointestinal tract.</p> <p>The product also requires improvements to marking and labelling.</p> <p>The product does not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	<p>The product has been withdrawn from the market and recalled from end users by British Fossils.</p> <p>Owners should keep the gemstones away from children and pets. Dispose of them responsibly or contact the retailer it was purchased from with proof of purchase in order to receive a refund.</p>
