BLOOD EXAMINATIONS

C.O.F.S. 81/58 requires all personnel detailed for duties at Christmas Island and with ships attached to Grapple Squadron to be given blood examinations before leaving the United Kingdom. The following points are promulgated to clarify this order :-

- (a) It applies only to ships permanently attached to the squadron. It does not therefore apply to personnel in H.M.S. ~~ANGLICAN~~ or H.M.S. ~~ANGLICAN~~.
- (b) No retrospective action is required in respect of personnel already serving in the Squadron.
