

Inspection of HMP Humber

Inspectors visited this prison in November and December 2023.

We wanted to find out if things were better, the same or worse for prisoners since we last visited in 2017.

We did this by:

- looking around the prison
- asking prisoners and staff to fill in a questionnaire
- speaking to prisoners
- speaking to staff and helpers
- reading documents.

What did we find?

Prisoners felt quite safe.

We gave the prison 3 out of 4 for this.

Prisoners were treated quite well by staff.

We gave the prison 3 out of 4 for this.

Prisoners did not get enough time out of their cells or things to do.

We gave the prison 2 out of 4 for this.

Prisoners had quite good help to get ready to leave the prison.

We gave the prison 3 out of 4 for this.

What should the prison do?

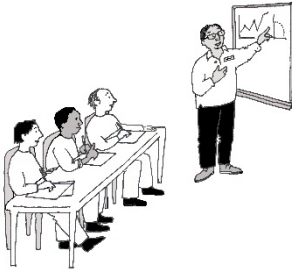

We want the governor to read our inspection report. You can find the report in the prison library.

We want the governor to make a plan. The plan should tell us how they will fix the problems at HMP Humber and make things better for prisoners.

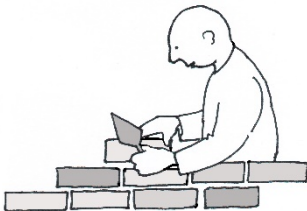

What do we want to happen?

We want prisoners to get the health care they need. We want medicine to be stored and given out safely. We want medical areas to be properly cleaned.

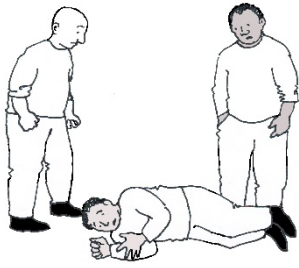

We want all prisoners to go to education and work. We want prisoners to get maths qualifications.

We want prisoners to learn useful skills in workshops.

We want prisoners to have help with finding somewhere to live before they leave HMP Humber.

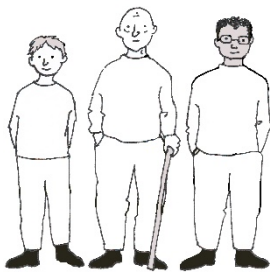

We want the prison to do more to stop fights and violence. We want there to be proper investigations and plans when prisoners are violent.

We want prisoners who owe money to other prisoners to get more help. We want the prison to do more to stop prisoners getting into debt.

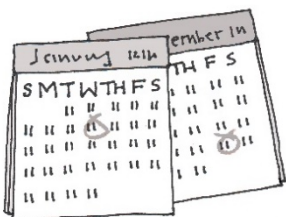

We want prison officers to only use force if they have to. We want them to use force safely.

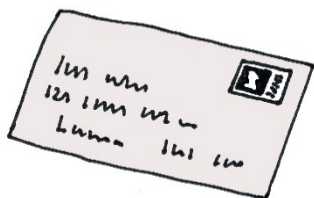

We want prisoners with disabilities to get the right care.

What will we do?

We will come back in a few years to check how well the prison is doing. We will write a report to tell people what we find.
