Authorized Amendment
Summary / Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.
The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.
This RA has been amended to mandate that ADH / AM(MF) are to follow relevant medical authority advice rather than just seek it as required in Issue 11. Further clarity has been added in relation to CFAOS process and guidance. There is also includes a change to single Service medical authority names to reflect current nomenclature. RFC 2024_081 has been incorporated to change RAF Centre of Aviation Medicine to the new name of Centre of Aerospace Medice.
