If your vehicle does not need an MOT or Goods Vehicle Test Certificate fill in 'Declaration of exemption from MOT' (V112) or 'Declaration of exemption from goods vehicle testing' (V112G) (see section G).

Note: when you use this form at a Post Office® branch that deals with vehicle tax, the information on it will be sent to us electronically. The member of staff at the Post Office® will give this form and the 'Direct Debit application' (VDD1) (if applicable) back to you with a receipt. Please do not send this application to us. Please keep the receipt as you may need it later.

Do not use this form to tax a heavy goods vehicle (except for showman's goods), or a recovery vehicle. For HGV vehicles use a V85.

A Why you should use this form

You should only use this form if:

- you have not received a 'Reminder to get vehicle tax or make a Statutory Off Road Notification' (V11)
- any vehicle details (for example, tax class) have changed
- there has been a break in taxing the vehicle
- you want to tax a vehicle during a SORN
- you are applying for vehicle tax using your Personal Independence Payment (PIP)/Adult Disability Payment (ADP) entitlement by post

B When to apply

If your vehicle is taxed

You can apply from the first day of the month in which your current vehicle tax runs out. Your new tax will come into force on the first day of the next month.

If your vehicle is not taxed or has a SORN

If your vehicle has a SORN and you apply in the last 2 working days of a month, the tax can start on the first day of the next month. If you apply before then, or the vehicle is currently not taxed, your tax will be backdated to the start of the current month. (Saturday is classed as a working day at Post Office® branches).

C Where and how to apply

You can apply in person to a Post Office® branch that deals with vehicle tax. To find your nearest Post Office® branch that deals with vehicle tax go to www.postoffice.co.uk/branch-finder or phone 0345 722 3344.

D The documents you need to produce

- the **V5C Registration Certificate (log book) or the green new keeper slip**
- **proof of a valid MOT (electronic copies are acceptable) or a Goods Vehicle Test certificate (GVT)** – the MOT or GVT certificate must be valid on the date the tax starts. If your vehicle had an MOT test in Northern Ireland, a valid test certificate must be produced. If you have a vehicle that does not need an MOT or GVT certificate, see section G opposite
- **if you are claiming a vehicle tax exemption or a 50% reduction in vehicle tax you must submit one of the following** – Certificate of Entitlement to DLA, Certificate of Entitlement to Personal Independence Payment (PIP), Certificate of Entitlement to Child Disability Payment (CDP), Certificate of Entitlement to Adult Disability Payment (ADP) or WPA0442

All the above documents must be originals; not photocopies or faxed copies.

- **Certificate of insurance or cover note** (downloaded copies are acceptable, photocopies are not) valid on the date the tax comes into force, for vehicles registered with a Northern Ireland address

E How to pay

You can pay by cash, direct debit (if applicable), debit card, credit card, cheque or postal order (made out to 'Post Office Ltd').

If you are setting up a direct debit for your vehicle tax, you must fill in the 'Direct Debit application' (VDD1).

The different rates of tax are given on www.gov.uk/vehicle-tax and in 'Rates of vehicle tax' (V149) which you can get from www.gov.uk

If you pay with a cheque which bounces, the vehicle will not be taxed.

F Special notes

You can tax your vehicle at a Post Office® branch that deals with vehicle tax by using your V5C or green new keeper slip. You may also need to fill in an 'Application for a vehicle registration certificate' (V62) if you only have the green slip.

If you do not have a V5C or the green new keeper slip you will need to fill in a V62 with this form. If you are not the registered keeper of the vehicle you may not be able to tax until you get a V5C in your name. However, you must keep the vehicle off the road during this time.

If you've previously had a V5C in your name for this vehicle and it has been lost, stolen, damaged or destroyed and there is no change to the vehicle or your personal details, you can apply for a duplicate at www.gov.uk/vehicle-log-book. You'll be able to tax your vehicle at the same time.

You can download the V62 form from www.gov.uk/dvlaforms or get one from any Post Office® branch that deals with vehicle tax.
