Product Description	An electric home-use faucet for heating water.
Country of Origin	China
Counterfeit	Unknown
Risk Level	Serious
Risk Type	Fire
Risk Description	<p>The product presents a serious risk of fire as the faucet's fuse does not meet the requirements of BS1362 as it features poorly secured end caps and had no granular filler to ensure safe operation of the fuse under fault conditions. The length of the fuse and diameter of the endcaps were both less than required. Additionally, the product was identified as having an input current of 15 A, which is too large for the 13 A rated plug supplied with the appliance. The instructions were considered to be inadequate as they were not in a language easily understood in the country in which the product was supplied. Some of the required documentation and markings were not present.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs & Sockets etc. (Safety) Regulations 1994.</p>
Corrective Measures	The import has been rejected at the border and destroyed.
