## SUMMARY REASONS

### Background

1. Following an objection from the Tenant to the determination of a fair rent by the Rent Officer, the Tribunal has made a determination under the provisions of the Rent Act 1977.

### Inspection

2. The Tribunal did not inspect the property but considered this case on the basis of the papers.

### Evidence

3. There were no written submissions from the parties.

### Determination and Valuation

4. In the absence of rental comparables provided by the parties the tribunal has relied on its own expert, general knowledge of rental values in the area. We consider that the open market rent for the property in the condition and with the amenities the market would expect would be in the region of £320.00 per week. From this level of rent we have made adjustments in relation to:
  - a. No central heating
  - b. No carpets curtains or white goods

The Tribunal has also made an adjustment for scarcity.

The full valuation is shown below:

<b>Fair rent</b>			
			PA
Market rent		£	320.00
less condition & terms	30%	-£	<u>96.00</u>
adjusted rent		£	224.00
less scarcity off adj rent	20%	-£	<u>44.80</u>
Fair rent		£	179.20

5. The Tribunal determines a s70 rent of £179.20 per week.

### Decision

6. The uncapped fair rent initially determined by the Tribunal, for the purposes of section 70, was £179.20 per week. The capped rent for the property according to the provisions of the Rent Acts (Maximum Fair Rent) Order 1999 is calculated at £161.50 per week. The calculation of the capped rent is shown on the decision form. In this case the lower rent of £161.50 per week is to be registered as the fair rent or this property.
