Subject: Application no. 24/01308/PINS

Proposal: Instillation of tensile stretch tent with associated minor hard and soft landscaping works.
Site Address: Promenade House, Clifton Down, Bristol BS 8 3EN

I do not wish for this plan to go forward. Promenade House is in a residential area, which is quiet and calm. If this plan goes ahead, it could cause a lot of noise, particularly in the evenings and at weekends. It will be a permanent fixture, which could set a precedent for other houses on the Promenade. Also there is the matter of extra people and parking, both of which have not been considered.

I would like to strenuously register my opposition to this application.

Gillian Millar
