Section 1 - how to complete this form

Country of study

If you are not sure where you will be studying during academic year 2024/25 tick the box of the country you expect to be studying in.

If you choose to apply for a Tuition Fee Loan for academic year 2024/25, the regulations regarding repayment of this loan are different for each country.

Tuition Fee Loan **REPAYABLE**

All students can apply for a Tuition Fee Loan to cover the fees that are charged by their university or college.

If you are unsure about the tuition fee amount you will be charged, please contact your university or college for clarification.

You may not be eligible for a Tuition Fee Loan if you already hold a UK degree.

The Tuition Fee Loan borrowed will be paid directly to the relevant university or college, in three instalments within the academic year, once your attendance is confirmed

Country you will be studying in	Maximum Tuition Fee Loan available	Private university or college (maximum Tuition Fee Loan available)
England	£9,250	£6,165
Northern Ireland	£4,750	£4,750
Wales (course started on or after 1 September 2012 and before 1 August 2018)	£5,075	£6,165
Wales (course started on or after 1 August 2018)	£9,250	£6,165

If you are studying in England or Wales and are in the first year of a graduate entry medical or dental programme course you can apply for a Tuition Fee Loan of up to £5,785 (if the fee charged is £9,250). However, you will need to pay the first £3,465 of the tuition fee amount charged by your university or college in your first year. You may receive funding from the NHS for following years.

Bursaries and Scholarships **NON-REPAYABLE**

Bursaries and scholarships are financial awards made by some universities and colleges to provide additional assistance to their students. The amount offered would be at their discretion.

If you are eligible for a bursary or scholarship from your university or college you will be assessed for this automatically and you will be sent a further form to complete.

Section 1 - how to complete this form

Continued

Fee Grant **NON-REPAYABLE**

If you will be studying in Wales and your course started on or after 1 September 2012 and before 1 August 2018 you may be eligible for a Fee Grant if the tuition fee charged by your university or college is more than £5,075.

The Fee Grant amount is the difference between the maximum Tuition Fee Loan available (£5,075) and the tuition fee being charged by the university or college.

For example;

Tuition fee charged (up to £9,250) - Tuition Fee Loan maximum (£5,075) = Fee Grant entitlement (up to £4,175)

You don't need to apply for a Tuition Fee Loan to receive a Fee Grant. However if you choose not to apply for a Tuition Fee Loan you will need to pay the difference to your university or college.

Your Fee Grant will be paid directly to your university or college in three instalments within the academic year.

You will not be eligible to receive the Fee Grant if you are undertaking a course at a private university or college in Wales.

A UK national includes:

- British citizens;

You must send your original UK passport or original UK birth or adoption certificate.

Chagossians with British citizenship

You need to confirm your British citizenship by sending your original British passport. If you don't have a UK passport, you can send us your certificate of naturalisation.

You also need to send evidence of your Chagossian status. If you have a certificate of registration as a British Overseas Territories Citizen which specifies the registration was carried out under section 17H of the British Nationality Act 1981, you need to send your certificate. If you don't have this, you'll need to send evidence that you were either born in the islands which now form the British Indian Ocean Territory or that you are a direct descendant of someone who was. Information about data sharing for bursary and scholarship purposes

Universities and colleges may offer financial awards such as bursaries or scholarships to their students. To help them administer these awards (i.e. to determine eligibility and entitlement to, and if relevant pay, a bursary or scholarship - 'bursary administration purposes') they will ask the Secretary of State (if your place of study is in England), the Welsh Ministers (if your place of study is in Wales) and the Department for the Economy and the Education Authority (if your place of study is in Northern Ireland) and the Student Loans Company for access to information you provide in connection with this application for student finance (whether on this form or at a later date).
