Any of the following materials for purposes other than feeding to farmed land animals, except for feeding to fur animals:

- a) animal by-products from aquatic animals and derived products from aquatic animals;
- b) aquatic invertebrates and derived products from aquatic invertebrates;
- c) terrestrial invertebrates, including any of their transformation forms, such as larvae, and derived products therefrom;
- d) products generated by the animals referred to in points (a), (b) and (c), such as fish eggs;
- e) Category 3 material comprising of animals and parts thereof of the zoological orders of Rodentia and Lagomorpha

From

- EU Member States
- EFTA Member States
- Greenland and the Faroe Islands where they align with EU SPS rules

At

Any point of entry in **England** which has a Border Control Post designated for the import of the product described above.

**Valid until 31 January 2025**

Signed on behalf of the Secretary of State for the Environment, Food and Rural Affairs.

Name:

*C. Paul*

Date:

25 APR 2024

## Conditions attached to this authorisation

1. There must be no unacceptable risk, to be determined at the sole discretion of the Secretary of State, of transmission of diseases communicable to humans or animals from this consignment.
2. Each consignment must be accompanied by a commercial document in a form conforming to the requirements of the model form published from time to time by the appropriate authority in accordance with paragraph 1 of Chapter 3 of Annex VIII to Regulation 142/2011; and containing the information specified in Chapter 3 of that Annex.
3. Each consignment must be subjected to veterinary checks at a Border Control Post (BCP). Importers must pre-notify (via IPAFFS) the Border Control Post of the arrival of the consignment, present the consignment for checking and in some cases provide any further information deemed necessary at the BCP.

4. Any breach of these conditions must be reported to APHA Imports Team, Centre for International Trade, Carlisle.

---

## NOTES

- A. This authorisation does **not** need to accompany the consignment.
- B. References to European Union (EU) legislation within this document are references to direct EU Legislation which has been assimilated in Great Britain (assimilated direct legislation), as defined in the Retained EU Law (Revocation and Reform) Act 2023 and can be viewed on the UK legislation website ([legislation.gov.uk](https://legislation.gov.uk)).
- C. This authorisation is granted under animal health import legislation and gives no exemption from any prohibition, regulation or restriction imposed by any other Government Department or Agency.
- D. If the material is to be re-exported, you should ensure that the importing country will permit entry and that you have the correct paperwork to accompany the product prior to export.
- E. Specific rules for the import of the products listed on page 1 of this authorisation, have not been laid down in Regulation (EU) 142/2011 at this time, so this authorisation is issued without prejudice to any future import rules.
- F. Please note that this authorisation is current at the time of its issue. Importers should check the [website](#) to ensure conditions for import have not changed.
- G. Any products and records, relating to the product imported under this authorisation, shall be made available if so required for inspection by an Officer of the Animal and Plant Health Agency at any place nominated by them for such inspection. The importer or their agent shall afford all assistance necessary to such an officer to enable the inspection in

such a manner as the Officer shall determine. The importer shall be responsible for meeting any costs of carrying out such an inspection

H. For information on registration/approval, please see the website: <https://www.gov.uk/animal-by-product-categories-site-approval-hygiene-and-disposal#getting-your-site-approved-or-registered>

### **CAUTION**

It is the importer's responsibility to ensure that any import covered by this authorisation complies with the terms and conditions as set out. If you cannot comply with any of the conditions above, please contact APHA Imports Team, Centre for International Trade, Carlisle.

Any breach of any conditions attached to this Authorisation will constitute an offence against regulation 39 of the Trade in Animals and Related Products Regulations 2011 (as amended) or regulation 17 of the Animal By-products (Enforcement) (England) Regulations 2013.
