8. EXAMINATION REQUIREMENTS

The conditions that apply at the time of examination are listed in the application appointment letter you will receive after your application has been processed.

Potential for the Approval Authority to consider a Remote Assessment – Vehicles subject to "Normal" IVA, except imported vehicles, including those previously approved to a non - EU standard.

The approval authority **may** choose to offer an examination following a Remote Assessment Procedure (RAP) i.e. a process where our examiner is office based and connects with your facility remotely through a video link and guides your employee to demonstrate vehicle compliance by enabling the examiner to see all the relevant items.

8. EXAMINATION REQUIREMENTS *(Continued)*

This process requires the following to be met :

- Suitable connectivity in the inspection area:
 - that you test your video/audio equipment prior to the test date;
 - that your camera/phone has a fully charged battery.
- Level area free from obstructions.
- Vehicle/trailer clearance: Front/rear – 3 metres – Side - 2 metres.
- Underside inspection facility: Inspection pit, vehicle hoists or ramps:
 - hoist – attached equipment used to raise vehicle i.e. column lift
 - ramp - platform that supports vehicle being raised i.e. four post lift.
- Adequate lighting for both topside and underside inspections.
- Your nominated employee will require an assistant.

Equipment required :

- 5 metre tape measure
- Plumb bob
- Chalk
- Hand Torch

Note - *The Examiner will suspend/terminate the inspection, if due to technical issues a thorough test cannot be carried out.*

You (the presenter) are responsible for ensuring compliance with all Health & Safety requirements during the assessment.

Please confirm :

a. **You can meet all the above RAP requirements and would accept a RAP if the option is offered to you?** YES

b. **From what date the vehicle will be available for examination ►**

If 'YES' please provide the contact details for the person nominated to conduct the examination ▼
