

# EMPLOYMENT TRIBUNALS

**Claimant:** L Edwards

**Respondent:** Enrich Learning Trust

## JUDGMENT

The claimant's application dated 22 March 2023 (first seen by Employment Judge Postle 01/06/2023 and drafted then but not typed) for reconsideration of the judgment sent to the parties on 28 April 2023 is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked, because:  
*The Claimants grounds for a reconsideration is merely disagreeing with the Tribunal's Judgment of fact based on the evidence the Claimant gave at the Preliminary Hearing.*
