General Provisions to the TSR

SC-TSR-TE-1 Final

National Rail Service Contract

TransPennine Express Railway General Provisions for the Train Service Requirement (SC-TSR-TE-1).

Explanatory Note 1: The TransPennine Express General Provisions for the Train Service Requirement (SC-TSR- TE-1) are subject to the provisions of and shall be interpreted in accordance with the National Rail Service Contract.

1.   Introduction

1.1   This attachment describes the TransPennine Express Train Service Requirement (SC-TSR-TE-1) and any changes will be put into the TSR Updates – Change Log as included in Paragraph 8 below.

1.2   The TSR consists of tables which detail the requirements for train services (the number of calls at each station) as well as the First Train and Last Train times.

1.3   The capacity requirements for each train shall be contained in the Train Formation Capacity Plan.

1.4   Only TransPennine Express Passenger Services may be counted to meet the TSR. Services operated by other Train Operating Companies or unadvertised staff-only calls cannot count towards meeting any of the requirements of the TSR.

1.5   This TSR applies from the Start Date.

1.6   The General Provisions are part of the Train Service Requirement. The Train Service Requirement is a document "in the agreed terms" for the purposes of the National Rail Service Contract.

2.   Days and Times of Day

2.1   References to a day mean the period commencing at 02:00 on one day and ending at 01:59 on the following day and references to Weekdays and particular days of the week shall be construed accordingly.

2.2   All references to time are to the twenty-four hour clock.

2.3   References to periods of times and periods of days include the times and

days such periods start and finish.

2.4   Except where expressly indicated to the contrary, references to "Summer" shall mean that period in any year from the Timetable Change Date nearest to May until the second Saturday in September and "Winter" is defined as any period other than "Summer".

3.   First and Last Services

3.1   Each TSR table specifies the time of the First and Last Service.

3.2   The First Service time is the latest permissible time at which the First Service of the Day may be operated and the Last Service is the earliest permissible time at which the Last Service of the Day may be operated, between designated stations.

4.   Request stops

4.1   The Operator agrees it may not change the call status of a station, to or from being designated a request stop station in the Timetable, without the Secretary of State's prior consent.

4.2   If there is to be such a change of (request stop) call status of a station (either for all calls or for a subset of calls), the Operator shall include the change of status within the Consultation on Significant Alterations to the Timetable, for the first Timetable the change is to be applied.
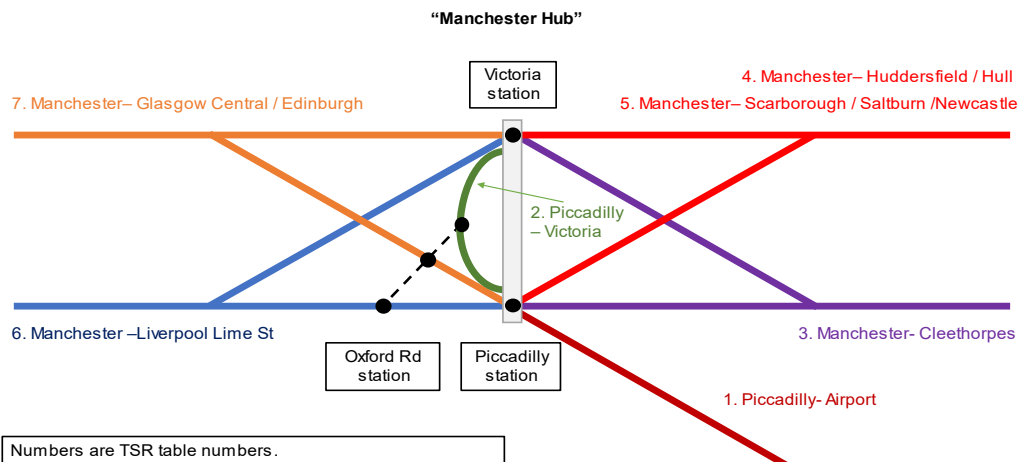

5.   References to Station Groups – Manchester

5.1   For the purposes of the Train Service Requirement, all references to Manchester shall mean: Manchester Piccadilly; or Manchester Victoria (the "Manchester Stations").

5.2   For the purposes of the Train Service Requirement tables):

(a)   a Passenger Service arrives at Manchester if it arrives at any one or more of the Manchester Stations having previously called at one or more stations that is not a Manchester Station. If a Passenger Service arrives at more than one of the Manchester Stations, the time of arrival at Manchester shall be the arrival time at the first of the Manchester Stations at which it calls; and

(b)   a Passenger Service departs from Manchester if it departs from any one or more of the Manchester Stations and subsequently calls at one or more stations that is not a Manchester Station. If a Passenger Service departs from more than one of the Manchester Stations, the time of departure from Manchester shall be the departure time from the last of the Manchester Stations from which it calls.

8. TSR Updates – Change Log

8.1   The overall contractual basis for the **Change Log** is set out in the "Development of Proposals for Passenger Service Enhancements" in Paragraph 8 of Chapter 4.1 of the National Rail Service Contract.

8.2   This section shows:

a   Changes that are applicable now having been fully agreed by the Secretary of State with the relevant parties; and / or

b   Future changes that have only been provisionally agreed by Secretary of State with the relevant parties.

8.3   The TSR will be updated at least once per year with the fully agreed contractual changes as set out in Annex 1 below.

9. Gatley station

9.1   On the TSR tabs MCR 1A, MCR 1B, MCR 1C, MCR 1D, MCR 1E, and MCR 1F, calls have been put in for TransPennine Express to stop at Gatley station. This is to make the overall timetable in that area operable (as they would more naturally sit with the Northern Operator). This will be kept under review by the Secretary of State as timetable structures change in the future. TransPennine Express should continue to serve these calls unless otherwise authorised by the Secretary of State.

10. Completion of the Timetable Development Process for the Timetable that commences on 10 December 2023.

10.1 In recognition that the industry timetable development process for the Timetable that will commence on 10 December 2023 (the "Dec 23 Timetable Development Process") commenced prior to the Start Date of the National Rail Service Contract, it is acknowledged that the Operator will:

a   comply with its obligations under Chapter 4.1 (Service Development) of the National Rail Service Contract in relation to the completion of the Dec 23 Timetable Development Process; and

b   in connection with such completion of the Dec 23 Timetable Development Process, follow and take proper account of the related authority instructions for, and subsequent to, the Access Proposal (as defined in the Network Code) made by First TransPennine Express Limited (as recorded in the relevant 'bid certificate' dated 18 April 2023 and/or relevant related correspondence).

10.2 Relevant correspondence related to the Timetable that will commence on 10 December 2023 as referred to in paragraph 10.1.b may include:

a   any derogation (where provided);

b   instructions which will include (but not limited to) First TransPennine Express Limited's Annual Business Plan (as referenced in the 'bid certificate); and

c   email correspondence with the subject line of "December '23 timetable assumptions" between representatives of the Department for Transport and First TransPennine Express Limited on Friday 31 March 2023 timed at 8:01:37 AM and 3:16 PM respectively.
