

PLANNING INSPECTORATE
BRISTOL CITY COUNCIL

15 APRIL 2024

REF APPLICATION N° 24/01308/PINS.

ADDRESS ~~PROMENADE~~ HOUSE

REF N° SG2A/2024/0040

CLIFTON DOWN

BRISTOL BS8 3NE.

Dear Sirs,

I am writing to you to convey my concerns regarding the above application.

The company using this address currently have a large number of Residential permits and has in excess of 140 staff, this causes pressure on what is essentially a residential area.

I cannot see that the erection of a permanent structure in their front garden, with additional clients and evening or weekend functions will not cause additional parking problems to local residents, which I might say causes me problems at present.

It is I believe a listed property and would not be in keeping with the lovely row of properties along the Promenade.

Apart from the congestion problem, a function property would cause noise problems in Camp Road, Lifford Road and Percival Road. Many residents are disabled.

Yours faithfully

John Haralambos
