

TransPennine Express General Provisions for the Train Service Requirement (NRC-TSR-TPE-1.1).

1. Introduction

- 1.1 This attachment describes the TransPennine Express Train Service Requirement (NRC-TSR-TPE-1.1).
- 1.2 The TSR consists of tables which detail the requirements for train services (the number of calls at each station) as well as the First Train and Last Train times.
- 1.3 The capacity requirements for each train shall be contained in the Train Formation Capacity Plan.
- 1.4 Only TransPennine Express Passenger Services may be counted to meet the TSR. Services operated by other Train Operating Companies or unadvertised staff-only calls cannot count towards meeting any of the requirements of the TSR.
- 1.5 This TSR applies from the Start Date.

2. Days and Times of Day

- 2.1 References to a day mean the period commencing at 02:00 on one day and ending at 01:59 on the following day and references to Weekdays and particular days of the week shall be construed accordingly.
- 2.2 All references to time are to the twenty-four hour clock.
- 2.3 References to periods of times and periods of days include the times and days such periods start and finish.

2.4 Not Used.

3. First and Last Services

- 3.1 Each TSR table specifies the time of the First and Last Service.
- 3.2 The First Service time is the latest permissible time at which the First Service of the Day may be operated and the Last Service is the earliest permissible time at which the Last Service of the Day may be operated, between designated stations.

4. Request stops

- 4.1 The Operator agrees it may not change the call status of a station, to or from being designated a request stop station in the Timetable, without the Secretary of State's prior consent.
- 4.2 If there is to be such a change of (request stop) call status of a station (either for all calls or for a subset of calls), the Operator shall include the change of status within the Consultation on Significant Alterations to the Timetable, for the first Timetable the change is to be applied.

5. References to Station Groups - Manchester

5.1 For the purposes of the Train Service Requirement, all references to Manchester shall mean: Manchester Piccadilly; Manchester Oxford Road; or Manchester Victoria (the "Manchester Stations").

5.2 For the purposes of the Train Service Requirement tables):

- (a) a Passenger Service arrives at Manchester if it arrives at any one or more of the Manchester Stations having previously called at one or more stations that is not a Manchester Station. If a Passenger Service arrives at more than one of the Manchester Stations, the time of arrival at Manchester shall be the arrival time at the first of the Manchester Stations at which it calls; and
- (b) a Passenger Service departs from Manchester if it departs from any one or more of the Manchester Stations and subsequently calls at one or more stations that is not a Manchester Station. If a Passenger Service departs from more than one of the Manchester Stations, the time of departure from Manchester shall be the departure time from the last of the Manchester Stations from which it calls.

6. Bank Holidays

6.1 Using the procedures in paragraph 4 of Chapter 4.2 of the Contract, the level of service required to be included in the Timetable for the following days shall, except to the extent the Secretary of State otherwise agrees, be as follows:

8. Serving Gatley Station

- 8.1 On the TSR tabs MAN 1A, MAN 1B, MAN 1C, MAN 1D, MAN 1E, and MAN 1F, calls have been put in for TransPennine Express to stop at Gatley station. This is to make the overall timetable in that area operable (as they would more naturally sit with the Northern Operator). This will be kept under review by the Secretary of State as timetable structures change in the future. TransPennine Express should continue to serve these calls unless otherwise authorised by the Secretary of State.
