Images	
PSD Number	2405-0022
Product Type	Electrical appliances and equipment – USB Charger
Product Identifiers	Brand: SCCVEE Model: YFY-A92 Barcode: X001NHJYGN Amazon identifier: FBA15HTM27GGU000005
Product Description	A rectangular black USB charger with ten ports packaged in a white cardboard box.
Country of Origin	China
Counterfeit	Unknown
Risk Level	Serious
Risk Type	Electric shock, fire and injuries
Risk Description	<p>The product presents a serious risk of electric shock as the insulation between the input and output circuits is poor, which may lead to elevated voltages at the output. The plug did not meet the dimensional requirements of BS1363 as the pins were only 5.7 mm from the periphery, which can allow access to live parts when plugging in, or unplugging, the plug from the socket.</p> <p>Additionally, the fuse in the plug does not meet the requirements of BS1362 as the length measured too small and the fuse had not been supplied with any granular filler, which is required to ensure it provides the relevant protective functions under fault conditions. The instructions were deemed inadequate and some of the required documentation/markings were not present.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016, or the Plugs & Sockets etc. (Safety) Regulations 1994.</p>
Corrective Measures	The import has been rejected at the border.
