Dear Sirs,

I live in a nearby road and have become aware of the above planning application and must voice my strenuous objections to it.

Clifton Down with its beautiful trees and magnificent Victorian Villas is perhaps one of the most attractive roads in Bristol. It is not surprising that the Mansion House is located along this exceptional avenue and has itself only permission for "indoor" events.

Not only would this proposal be entirely inappropriate to this locality it would also set a precedent for further disruption.

In addition and in some sense more explicitly, the "venue" would only add to the extreme difficulty of parking and, even more importantly, create significant noise pollution in this predominantly residential area.

Please accept these objections.

Yours faithfully,

A B Harris
