Subject: Planning application: S62A/2024/0040 Promenade House Clifton Down Bristol-Gov.Uk

[REDACTED]

I would like to object to the proposed application for the following reasons.

Sound travels very easily in this location and the installation of a permanent marquee for the use of outdoor events, workshops and meetings would create an unacceptable level of noise.

It would also mean a potential increase in parking problems.

A marquee would be an unacceptable addition to a beautiful building and totally inappropriate to the area.

Yours faithfully

Priscilla McNair
