

This database lists MCA accepted (UK approved) service stations of SOLAS Standard Inflatable LA. The list of products for which the station is authorized to service is only indicative and may change between annual MCA inspections. It's the responsibility of the vessel owner / operator to ensure that SOLAS Inflatable LA is serviced at a competent, approved service station which -

- is authorized to service the particular product model/type.

- is accepted by the MCA which demonstrates compliance with IMO Res. A.761(15) to maintain proper servicing facilities.

- uses only products to meet general provisions of personal authorisation certificates by the original Equipment Manufacturer.

The operation and maintenance manual will also include a list of authorized service stations where the ship operator can request relevant services. Further details are contained in MGN 548 available by searching in www.gov.uk
