

EMPLOYMENT TRIBUNALS

Claimant

Respondent

Miss W L Scott

v

Morrisons Data Services Limited

Before: Employment Judge JM Wade (in chambers)

JUDGMENT

The claimant's application for reconsideration sent to the Tribunal on 18 April 2024 in respect of a Judgment sent to the parties on 14 February 2024 is refused, there being no reasonable prospects of the Judgment being varied or revoked.

REASONS

1. Rule 72 of Schedule 1 to the Employment Tribunals (Constitution & Rules of Procedure) Regulations 2013 provides that the Employment Judge shall consider any application to reconsider a Judgment.
2. The claimant sent such an application on 14 February 2024 by email. She then confirmed that the delay was because she had taken weeks to recover from the hearing which was in February. It is only today that I have directed the reasons for the Judgment be sent and the claimant will want to consider those reasons.
3. The application itself is without any reasons to re-consider, whether error of law or otherwise. It therefore has no reasonable prospects of resulting in the Judgment being varied or revoked and the application is therefore refused.
