## RECONSIDERATION DECISION

The Claimant's 2<sup>nd</sup> application for reconsideration of the Judgment sent to the parties on 18<sup>th</sup> March 2024 is refused on the grounds that it is misconceived.

The Claimant's 1<sup>st</sup> application for reconsideration was refused on the grounds that it had been submitted outside of the 14 day time limit.

In his 2<sup>nd</sup> application the Claimant invites the Tribunal to reconsider some of its findings of facts of its own motion. In considering it the Tribunal notes the objections raised by the Respondent in its email of 16<sup>th</sup> April 2024.

The Claimant's second application appears to be an improper attempt to circumnavigate the 14 day time limit. All of the findings of fact made by the Tribunal were reached after a careful consideration of all of the documentary and oral evidence that was before the Tribunal. The Tribunal does not, of its own motion, wish to reopen those findings of fact.
