

Case Number: 1808579/2023 and 1800882/2024

EMPLOYMENT TRIBUNALS

Claimant: Mr D Lewis

Respondent: MGG Developments Co Ltd (In liquidation)

JUDGMENT

The claims are struck out.

REASONS

1. By a letter dated 19 April 2024 the Tribunal warned the Claimant that his claims might be struck out because he had not complied with any of the Tribunal's orders and had not actively pursued the claims. The Claimant was given an opportunity to write to the Tribunal to explain why his claim should not be struck out or to request a hearing.
2. The claimant has not responded at all. It appears to me that he has not actively pursued his claims and has not complied with Tribunal orders. It is appropriate to strike out his claims.
