Good evening,

I am dismayed to hear that there may be plans to create a residence for 7 persons on Conway road and that it has been suggested that there is parking for these residents available on Bloomfield road. We have one car in our household of 3, with a young child and we struggle to find parking most evenings, often having to park on a different road. I do not think it is suitable to potentially add 7 more cars for 7 residents into this area. Already the roads become gridlocked often as traffic is parked all the way around on either side of the road and no passing places for cars. This is a residential, family area and totally inappropriate for such a large HMO to happen. I strongly oppose this application.

Thanks,

Rebecca Westley [REDACTED]
