UNITED KINGDOM

II.a Certificate reference

II. Health information

II.1. Health attestation

I, the undersigned official veterinarian, hereby certify, that the consignment of products of animal origin or goods described in Part I:

- II.1.1. originates from and has been produced in the Union and was eligible for placing on the market in the Union,
- II.1.2. was packed in the Union and, for products of animal origin, was marked in the Union in accordance with Section I of Annex II to Regulation (EC) No 853/2004 of the European Parliament and of the Council,
- II.1.3. is destined to the Union,

II.2. Storage attestation

I, the undersigned official veterinarian, hereby certify, that the consignment of products of animal origin or goods described in Part I:

- II.2.1. has been stored in (an) approved/registered establishment(s),
- II.2.2. has been reloaded in the approved/registered establishment(s) under supervision of the competent authority.

Notes

In accordance with the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community, and in particular Article 5(4) of the Protocol on Ireland/Northern Ireland in conjunction with Annex 2 to that Protocol, for the purpose of this animal health/official certificate, references to the Union in this certificate include the United Kingdom in respect of Northern Ireland.

This animal health/official certificate is intended for the entry into the Union of consignments of products covered by the certificates laid down in Articles 8 to 29 of Commission Implementing Regulation (EU) 2020/2235 that originate from a Member State, are moved to a third country or territory listed in Annex XXII to Commission Implementing Regulation (EU) 2021/404 with the specific condition "Consignments that originate in the Union and are moved to a third country or territory, and moved back to the Union after unloading, storage and reloading" and are moved back to the Union from that third country or territory after being unloaded, stored and reloaded.

This animal health/official certificate shall be completed in accordance with the notes for the completion of certificates provided for in Chapter 4 of Annex I to Commission Implementing Regulation (EU) 2020/2235.

Part I:

Box reference 1.7.: Indicate the name and ISO country code of the country where the goods were produced, manufactured or packed

(labelled with the identification mark).

Part II:

(1) Code of the zone in accordance with column 2 of the table set out in Part 1 of Annex XXII to Commission Implementing Regulation (EU) 2021/404; only for the zones listed with the specific condition "Consignments that originate in the Union and are moved to a third country or territory, and moved back to the Union after unloading, storage and reloading" in column 6 of that table.

territory, and moved back to the Union after unloading, storage and reloading" in column 6 of that table.
