

Application for an extension of permission to stay in the UK as a child under Appendix Child staying with a Non-Parent Relative (Appendix CNP)

Duty to state all reasons to remain in the United Kingdom

All your reasons or grounds for wishing to stay in the United Kingdom must be stated in this application. This requirement is being given under section 120 of the Nationality, Immigration and Asylum Act 2002. If you do not tell us now of any reasons or grounds for remaining in the United Kingdom and you tell us later without good reason, you will lose any right of appeal you may have otherwise qualified for if we refuse your claim. You can use the box at the end of section 7.

As part of your application, you may be required to pay the Immigration Health Charge. Before going any further, you should check <u>www.gov.uk/healthcare-</u> <u>immigration-application</u> to confirm if an Immigration Health Charge assessment is required as part of your application. UKVI will contact you directly to request the appropriate payment for the Immigration Health Charge after your application has been submitted. This payment will need to be made online.

Applications on this form must be made by post. You must send your application form to the following address:

Department 600 UKVI The Capital Old Hall Street Liverpool L3 9PP

Posting your FLR (P) application to any other address will mean that your application has not been received by the decision making team and will be considered as void.

This address is only to be used when sending your application. Please use the address given in part 12 for any other correspondence about your application.

If you use Recorded or Special Delivery, this will help us to record the receipt of your application. Make sure that you keep the Recorded or Special Delivery number. We will return your passport and other documents by Recorded Delivery. If you would like them to be returned by Special Delivery, you must provide a prepaid Special Delivery envelope which is large enough.

The Home Office will use the personal information you provide to consider your application. We may also share your information with other public and private sector organisations in the UK and overseas. For more detail please see the Privacy Notice for the Border, Immigration and Citizenship system at <u>www.gov.uk/government/publications/personal-information-use-in-borders-immigration-and-citizenship</u>. This also sets out your rights under the Data Protection Act 2018 and explains how you can access your personal information and complain if you have concerns about how we are using it.

Who may apply?

The FLR (P) form must be used by individuals applying for an extension of permission to stay under Appendix Child staying with or joining a non-parent relative (Protection) (CNP). This route is for a child under the age of 18 seeking to stay with a non-parent relative with protection status in the UK who has not yet settled.

The fee

The current specified fee for an application made on FLR(P) is £1048.

If you wish to submit a fee waiver request to waive the fee for this application and the requirement to pay the Immigration Health Charge, you must submit a paper fee waiver request alongside this application form. The paper fee waiver request form can be found on our website: <u>www.gov.uk/government/publications/</u> <u>application-to-extend-stay-in-uk-as-child-of-a-</u> <u>refugee</u>

Fee waiver requests will be considered before the main application is assessed.

Where the applicant has not submitted a fee waiver request, we cannot begin the consideration process of your application for an extension of permission to stay until the payment has cleared. We allow 5 working days for payments made by cheque to clear, credit/debit cards and postal orders will clear immediately.

The fee charged is for the processing and consideration of the application. This fee will be payable once the application form is received by the Home Office or its payment processing agent, regardless of the outcome of the application. If your application contains errors or is missing information it may be rejected as invalid. Your application will not be considered and your fee will be refunded less an administration fee of £25 for each person included in the application.

Please note that when making large or multiple payments using your credit card, the anti-fraud measures that banks operate sometimes stop the full payment being taken. This can happen for a number of reasons. To prevent this you may inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application.

Please be aware that not all banks offer this service.

Biometric enrolment

As part of your application you are required to enrol your biometric information.

Your application may be rejected as invalid if you do not enrol your biometrics when requested. For more

information about enrolling biometrics, please visit the following section of our website: www.gov.uk/biometric-residence-permits
