Dear Sir/Madam,

The only access some of the residents of the HMO will be via [REDACTED] narrow back lane that for many years has been inaccessible from about [REDACTED] due to builders having left their rubble etc. The lane if opened up again will lose us the privacy and security we have at present, making us vulnerable via [REDACTED] back gardens.

Both Conway Road and Martingale Roads are Cul-de-Sacs and I have noticed cars having to reverse out of Conway Road onto Bloomfield Road which is a through road.

Parking is already at a premium, with on road and driveways at full capacity.

I see no possibility of overflow parking for residents of HMO being achieved in Bloomfield Road, Conway Road, or Martingale Road.

For these reasons, I object to the planning application.
