JUDGMENT ON REMEDY

1. By consent the respondent agrees to pay to the claimant the sum of £13,400 comprising of:

2. The payment by the respondent to the claimant will be made by 29 May 2024.

REASONS

1. Following the tribunal judgment on liability dated 27 January 2024 in which I found that the claimant was unfairly dismissed, this matter was listed for a liability hearing today.
2. The parties attended and asked for time to reach an agreement on compensation, which I allowed. The judgment set out above represents the agreement reached between the parties on compensation.
