Aspect	Details
Images	
PSD Number	2405-0007
Product Type	Machinery – Truck Mounted Road Sweeper
Product Identifiers	Johnston Sweepers Ltd / Bucher Municipal Ltd V Range Truck Mounted Sweepers All V range models manufactured between December 2014 and December 2020. Serial numbers 6699 - 11420.
Product Description	Truck mounted road sweeper
Country of Origin	United Kingdom
Counterfeit	No
Risk Level	Serious
Risk Type	Injuries
Risk Description	The design of the discharge door opening mechanism presents a risk of serious injury because failure of the single pin used to secure the mechanism to the machine body will result in the discharge door closing in a rapid and uncontrolled manner. This does not meet the requirements of The Supply of Machinery (Safety) Regulations 2008.
Corrective Measures	The manufacturer has provided revisions of information to customers, provided information on safe systems of working and created additional measures that can be retrofitted to the machine to reduce the risk. Users should contact the manufacturer (Bucher Municipal Ltd) to obtain relevant technical bulletins and additional parts. Users can view the Waste Industry Safety and Health Forum (WISH) safety alert relating to this type of incident at www.wishforum.org.uk/wp-content/uploads/2024/04/WISH-Safety-alert-hydraulic-rear-doors-and-similar-V1-April-2024.pdf
