<p>Risk Description</p>	<p>This product presents a serious risk of choking as the collars of the pens are easily detachable when unscrewed from the main shaft. A young child may be at risk of placing the collars of the pens in their mouth and choking. Additionally, pieces of the foam shapes present a risk of choking due to the weakness in the tension of the foam. The plastic packaging that accompanies the toys presents a potential asphyxiation hazard due to its thin structure. This product does not meet the requirements of the Toys (Safety) Regulations 2011.</p>
