**TO WHOM IT MAY CONCERN:**

British nationals, whether minor or adult, can hold their British nationality alongside any number of other nationalities but can apply to renounce their British nationality only if they are aged 18 years or older. British nationality law does not allow renunciation before the age of 18.

There is no guarantee that an application to renounce British citizenship will be successful. Therefore, this letter does not confirm that a British national will no longer hold British nationality after applying to renounce this.
