Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part of an environmental permit.

This is a part surrender to remove a parcel of land on the Southwest side of the site. All installation activities previously undertaken on the parcel of land subject to this surrender were removed from the permit in a previous partial surrender. There are no other changes to the installation.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
