**Footnotes:**

- <sup>1</sup> Since April 2012, the Mayor of London has had oversight of strategic housing, regeneration and economic development in London. This means that Homes England (formerly known as Homes and Communities Agency (HCA)) no longer publishes housing starts on site and completions for London (current and historical series) except for delivery in London under the Build to Rent, Get Britain Building, Home Building Fund - Short Term Fund and Levelling Up - Home Building Fund Programmes which are administered by Homes England on behalf of the Greater London Authority (GLA). As housing starts on site and completions are recorded by their location, this release may exclude homes located outside London where the funding was allocated to a local authority district within London.
- <sup>2</sup> All programmes are funded by the Department for Levelling Up, Housing and Communities (DLUHC) with the exception of Care and Support Specialised Housing, Homelessness Change 2015-18 and Platform for Life which were funded by the Department of Health (these programmes are now closed).
- <sup>3</sup> The Affordable Homes Programme (AHP) 2015-18, AHP 2021-26, First Homes Early Delivery Programme, Right to Buy Replacement and Shared Ownership and Affordable Homes Programme (SOAHP) 2016-21 figures for 1 April 2023 to 31 March 2024 are sourced from our Investment Management System (IMS) at close of business on 28 March 2024. Starts on site reported for these programmes (where relevant) are correct at the time of first publication but reallocation of funding to another scheme can occur occasionally and the completion recorded against the second scheme. All starts delivered since April 2016 by these programmes have been restated in this release.
- <sup>4</sup> The Levelling Up - Home Building Fund (LU-HBF), Local Authority Accelerated Construction (LAAC), Single Land Programme (SLP) and Home Building Fund - Short Term Fund (HBF-STF) figures for 1 April 2023 to 31 March 2024 are sourced from our Project Control System (PCS) at close of business on 3 May 2024.
- <sup>5</sup> Affordable Tenure TBC refers to units that have reached the start on site milestone but where the tenure of these units has not yet been specified. This was introduced as a flexibility for Strategic Partnerships to enable them to determine tenure close to or at the point of completion. These starts will be restated under their specified tenure headings in future national statistics updates once the tenure has been established at completion.
- <sup>6</sup> Total affordable housing is the sum of Affordable Rent, Social Rent, Intermediate Rent, Affordable Home Ownership, First Homes and Affordable Tenure TBC.
- <sup>7</sup> Market housing is private housing (or bed spaces) for rent or for sale where the rental value or market price is set mainly in the open market.
- <sup>8</sup> First Homes were launched in 2021 with the phase one pilot being delivered by the Single Land Programme and the phase two (grant funded) programme being delivered by the First Homes Early Delivery Programme. More information is available here: [First Homes - GOV.UK \(www.gov.uk\)](https://www.gov.uk/first-homes)
- <sup>9</sup> The AHP 2015-18 closed in March 2018 and was replaced by the SOAHP 2016-21. Starts and completions reported post March 2018 against this programme reflect commitments entered into prior to its closure to new bids.
- <sup>10</sup> With effect from 1 April 2014 the range of products reported for affordable housing starts includes the start on site for new build homes where the procurement route is such that the provider purchases the home at completion - these are referred to as 'Off The Shelf' units. For reporting purposes, the start on site date is taken as the date of completion. An exception to this is under the AHP 2021-26 Strategic Partnerships where OTS starts are also counted upon exchange of purchase contract, which may be prior to completion of the build.
- <sup>11</sup> The AHP 2021-26 was launched in April 2021 and includes housing starts and completions delivered under the Rent to Buy scheme. Rent to Buy units are included in the 'Affordable Home Ownership' columns of these tables. See section 5 in the Technical Notes document of the latest statistical release available from the following webpage for further details on Rent to Buy:  
<https://www.gov.uk/government/collections/housing-statistics>
- <sup>12</sup> The market units delivered under the Accelerated Land Disposal, Build to Rent, Builders Finance Fund, Economic Assets, Get Britain Building, Kickstart Housing Delivery, LU-HBF, LAAC, Property and Regeneration, SLP and HBF-STF programmes may include some starts on site and completions which are made available at below market price or rents but do not meet the definition for affordable housing.
- <sup>13</sup> The SOAHP 2016-21 was launched in April 2016 and includes housing starts and completions delivered under the Rent to Buy scheme. Rent to Buy units are included in the 'Affordable Home Ownership' columns of these tables. See section 5 in the Technical Notes document of the latest statistical release available from the linked webpage in note 11 above for further details on Rent to Buy.
- <sup>14</sup> In 2022/23 the Government agreed to extend the longstop dates for the SOAHP 2016-21 programme to March 2024 for starts and to March 2026 for completions in recognition of the impact of COVID on housing delivery. All new bids submitted under the Continuous Market Engagement (CME) route are now submitted under the AHP 2021-26 programme which was launched in April 2021 as a successor programme to SOAHP 2016-21. The starts for SOAHP 2016-21 have been restated in this release following the formal closure of the programme to starts in March 2024.
- <sup>15</sup> The Single Land Programme replaced the Accelerated Land Disposal, Economic Assets and Property and Regeneration programmes with effect from 1 April 2015.
- <sup>16</sup> The HBF-STF was launched in October 2016 and includes the Builders Finance Fund from that point forwards. The reported starts on site for the second six months of 2016/17, the whole of 2017/18, 2018/19, 2019/20, 2020/21, 2021/22, 2022/23 and 2023/24 exclude 222, 1,926, 2,391, 4,342, 682, 1,045, 658 and 728 units respectively which count towards the overall target to unlock delivery of up to 25,500 homes across the lifetime of the programme but are either in receipt of funding from an affordable housing programme and are reported under that programme or are part of the wider project and have been unlocked as a result of the HBF - STF funding. For the same reason, the reported completions for the second six months of 2016/17, the whole of 2017/18, 2018/19, 2019/20, 2020/21, 2021/22, 2022/23 and 2023/24 exclude 15, 81, 772, 1,066, 1,607, 1,887, 1,416 and 2,245 units respectively.
- <sup>17</sup> The Get Britain Building programme was announced in November 2011. The reported starts on site for 2012/13, 2013/14 and 2014/15 exclude 1,079, 304 and 234 units respectively which count towards the overall target to unlock delivery of up to 12,000 homes across the lifetime of the programme but are either in receipt of funding from an affordable housing programme and are reported under that programme or are part of the wider project and have been unlocked as a result of the Get Britain Building funding. For the same reason, the reported completions for 2013/14, 2014/15, 2015/16, 2016/17, 2017/18 and 2018/19 exclude 125, 872, 197, 63, 127 and 217 units respectively.
- <sup>18</sup> Care and Support Specialised Housing ended in March 2021 and completions reported after this reflect commitments entered into prior to the closure date. Any starts reported for this programme post March 2021 relate to 'Off The Shelf' units (see note 10).
- <sup>19</sup> The Build to Rent programme was launched in December 2012. The starts on site reported for 2014/15, 2015/16 and 2016/17 exclude 45, 304 and 125 units respectively which count towards the overall target to deliver 10,000 homes across the lifetime of the programme but are either in receipt of funding from an affordable housing programme and are reported under that programme or are part of the wider project and have been unlocked as a result of the Build to Rent funding. For the same reason, the reported completions for 2016/17, 2017/18, 2019/20 and 2020/21 exclude 47, 179, 52 and 196 units respectively.
- <sup>20</sup> The National Affordable Housing Programme ended in March 2011 and outputs reported after this reflect commitments entered into prior to the closure date.
- <sup>21</sup> Short Form Agreements (SFA) are used by Homes England to contract with providers who wish to deliver affordable rent units without Homes England funding.
- <sup>22</sup> The Builders Finance Fund was launched in May 2014. The starts on site reported for 2014/15, 2015/16 and the first six months of 2016/17 exclude 23, 273 and 48 units respectively which are either in receipt of funding from an affordable housing programme and are reported under that programme or are part of the wider project and have been unlocked as a result of the Builders Finance Fund. For the same reason, the reported completions for the first six months of 2016/17 exclude 33 units.
- <sup>23</sup> Mortgage Rescue is either Equity Loan or Mortgage to Rent for which starts on site are not reported.
- <sup>24</sup> FirstBuy is an equity loan product for which starts on site are not reported. Completions reported for 2013/14 reflect units that were committed to purchase by 31 March 2013 when the scheme ended.
- <sup>25</sup> The National Affordable Housing Programme figures include Mortgage Rescue for 2009/10 and 2010/11.
- <sup>26</sup> In a small number of cases, Homes England funding to an affordable housing provider is to support a person or family to be housed in a local authority that is different to the one in which they currently reside. The figures in this table are based on the local authority district in which the house is located which may not be the local authority where the funding is allocated.
