Product Description	The product is a blue baby walker with panda bear markings and tactile buttons.
Country of Origin	China
Counterfeit	Unknown
Risk Level	Serious
Risk Type	Injuries and suffocation
Risk Description	<p>This product presents a serious risk of injuries as it is not capable of safely holding the appropriate weight of a baby when they are placed in. If a parent places their child inside and was to walk away whilst the baby is kicking backwards in the walker, the product could topple or overturn, causing injuries.</p> <p>The product also presents a serious risk of suffocation as part of the blue from the flower sticker detached at less than 90N, creating a small part capable of fitting entirely inside of a small parts cylinder. A child may place this in their mouth and suffocate or choke.</p> <p>There are also several burrs present underneath the tray, presenting sharp edges, and the product is missing some of the required warnings and instructions.</p> <p>The product does not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	The import has been rejected at the border and destroyed.
