Product Description	A cordless impact wrench with 21v battery and charger.
Country of Origin	China
Counterfeit	Unknown
Risk Level	High
Risk Type	Fire
Risk Description	<p>The product presents a high risk of fire as the impact driver features poor quality soldering with wires soldered directly to component tags with no secondary means of securement in a high vibration environment. This could cause a short circuit or contact with another component, potentially resulting in a fire. Some of the required documentation and markings were not present.</p> <p>The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.</p>
Corrective Measures	The import has been rejected at the border.
