Subject: MFR TO RO [REDACTED] Update to FSN For Histoacryl

Dear [REDACTED]

Hope you are well.

We are in the process of updating the above FSN with new codes/batches. I have tried to upload this information onto the MORE Report but keep getting an error message.

We have attached a PDF/XML version of the MORE report and the updated customer letter for your information.

Please advise if this is acceptable and we will then start to contact our customers.

Catherine

Kind Regards
