

This form is only to be used by members of the Armed Forces Pension Scheme (AFPS) who wish to apply for a Transitional Tax-Free Amount Certificate. This form should not be used to request information to support an application with another pension scheme provider. If you require information related to previous AFPS awards, please email: dbsmpv-sscl-pensionstax-team@dbspv.mod.uk.

To be awarded with a Transitional Tax-Free Amount Certificate, you must provide DBS with full evidence of every Benefit Crystallisation Event (BCE) that has occurred prior to 6 April 2024. A Benefit Crystallisation Event (BCE) is any event which results in payment of benefits (e.g. pension and /or lump sum) from a pension scheme. This could be from an occupational pension such as your Armed Forces Pension, or a private pension or other pension fund for which you are a member. Note the Early Departure Payment (EDP) is not a Benefit Crystallisation Event.

If complete evidence is not received, the application can be refused, and a certificate may not be provided.

You can apply for a Transitional Tax-Free Amount Certificate from 6 April 2024.

If an application is accepted, a certificate will be supplied within 90 days of receipt of the application.

If you have only taken pension benefits before 6 April 2006 and have not had a Benefit Crystallisation Event since then, you are not eligible to apply for a Transitional Tax-Free Amount certificate. You cannot apply for a Transitional Tax-Free Amount Certificate if a Relevant Benefit Crystallisation event (RBCE) has occurred on or after 6 April 2024 (i.e. you have drawn a tax free lump sum from any pension scheme, including AFPS. This does not include any lump payable from an Early Departure Payment).

You are only allowed to apply for one Transitional Tax-Free Amount Certificate. If you have been provided with a certificate from another pension scheme you must inform us of this by emailing DBS-JPAC@DBSPV.MOD.UK.

If you successfully apply for a certificate and it shows a lower remaining lump sum allowance and/or a lower lump sum death benefit allowance, it is not possible to revert to using the standard calculations or lump sum and lump sum death benefit allowance to calculate any tax liability.

Once a certificate has been issued, if at any point it is determined that the information provided which resulted in the issue of the certificate is inaccurate, DBS can cancel the certificate and issue a notice of cancellation. You will be liable for any additional tax as a result of a cancelled certificate.

If you fraudulently or negligently make a false statement, a penalty of £3,000 can be issued.

Please consult the HMRC website and the Lump Sum Allowance factsheet by searching "Armed Forces Pensions" on Gov.uk before submitting an application.
