Thanks Kerry. Is it possible to amend the title of the page to include reference to the V009 appeal to ensure this is clear for members of the public?

Kind regards,

Emma

Good evening Loraine,

Members of the public have stated that they cannot access the core documents on the DEFRA website. You will recall this was discussed at the SOCG meeting on 29 Feb. Please could the website be brought up to date so that the public can access the CDs?

Kind regards,

Emma
