---

Good afternoon,

I have placed the notices at various locations in the surrounding area on 27 Feb 2024. Please find attached. One photo is from inside the Sutton cum Lound Village hall, 38 Town st, Retford, DN22 8PT and the other is from Daneshill Lakes car park, Retford, DN22 8RB.

I also gave a parish councillor (Robert – [REDACTED]) two notices to put up at the Ranskill village notice boards, Retford, DN22 8LE. The notice boards were locked at the time, but he said they would be up by the end of the week.

I gave a copy to reception at Ye Old Bell, Great North Road, Retford, DN22 8QS – where the inquiry is to be held.

I gave a copy to a parish councillor at Barnby Moor to place in the village notice board, which was again locked at the time. Claire – [REDACTED].

Lastly, I gave a copy to reception at Retford Library, 17 Churchgate, Retford, DN22 6PE.

Any queries please contact me.

Kind regards,

**Subject:** ACTION REQUIRED: Appeals by FCC Recycling (UK) Ltd and 3C Waste Ltd -Site Notice to put up

Hi Both,

As you maybe aware, we have an appeal from FCC and 3C waste over the Daneshill and Maw Green sites, Paul Barker said you maybe able to help in putting the site notice up around both sites and surrounding areas including a local council office / library if available.

We would need them up no later then the 5<sup>th</sup> March and would need photos of each poster up and a completed form 'certificate of billposting' that the planning inspector will require back alongside the phone.

Many thanks for your help

Kind regards

Kerry
