

THE EMPLOYMENT TRIBUNALS

Claimant: Mr G Henderson

Respondent: Automotive Group

Heard at: Newcastle Employment Tribunal

By: Cloud Video Platform (CVP)

On: 1 July 2024

Before: Employment Judge Martin

Representation:

Claimant: No attendance or representation

Respondents: No attendance or representation

JUDGMENT

The claimant's claim of unfair dismissal is dismissed as the Tribunal has no jurisdiction to hear the claimant's claim.

REASONS

Neither the claimant nor the respondent nor any representatives on their behalf attended the hearing today. The claimant's representative sent an email to the Tribunal on the evening of 30 June 2024 saying that, in the light of earlier communication from the Tribunal regarding the claimant's lack of continuous service of 2 years to bring such a claim, the claimant had now decided not to pursue his claim and would not contest the proceedings.

Accordingly, his claim is hereby dismissed due to his lack of 2 years continuous service and his failure to provide further information to show that the claim came within one of the exceptions under Section 108 Employment Rights Act 1996.
