Dear [Redacted]

FOI 24/275

Thank you for your emails dated 19 March 2024 where you requested copies of reviews of the MHRA's Transformation Programme.

Our response

This programme was subject to an independent Stage Gate 0 review in November 2022 and the report and recommendations from that review is attached.

You will find some of the information has been redacted under Section 40(2) personal information which protects personal data, the disclosure of which would breach one or more of the data protection principles. The Agency is satisfied that disclosure here would breach the first data protection principle, in particular the requirement of fairness on the basis that disclosure would not be reasonably expected by the people mentioned in the information.

I hope the information provided is helpful, but if you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of this response; and can be addressed to this email address.

Yours sincerely,

[Redacted]
