Subject: S62a20240046-9a9b-rosebery-avenue-Harpenden-al5-2qt

[REDACTED]

I would like to strongly support the above application and am confident that the new property will be a much improved view at the bottom of my back garden and will be much more sympathetic to the properties either side of it and the general street scene in the road.

The present property stands out as an ugly house in a road full of beautiful houses.

I am sure the new materials used in the build and landscaping will enhance the area greatly.

Yours sincerely

Lorraine Henderson
