

Grenfell Tower site update July/August 2024

Grenfell Tower site update July/August 2024

A summary of current activity at the Grenfell Tower site.

- DUK was reappointed as the principal contractor of the Grenfell Tower site earlier this year. This contract was reprocured due to government rules and guidance on spending public money. It is a standard process and is part of the government's role in keeping the tower and site secure and stable. To find out more about the procurement process, please go to: [The principal contractor for the Grenfell Tower site on GOV.UK](#) or contact us using the details at the end of this summary.
- DUK carries out regular maintenance and checks of the props (the metal supports installed in the tower), the hoardings around the site, and the lighting, security systems and scaffolding.
- Local opportunities including employment, training and practical support, are available from DUK. Some of these include:
 - DUK North Kensington £45,000 premises and equipment fund
 - Funding adult education English classes
 - Electric van for local charities' use
 - Donations to local food banks

You can find out more at www.degroupp-community.uk. If you would like to talk to us about social value opportunities, please get in touch using the contact details at the end of this summary.

- Air quality monitoring continues to be carried out regularly around the tower. You can see the latest monitoring results at: [Environmental monitoring following the Grenfell Tower fire - GOV.UK \(www.gov.uk\)](#)
