**Subject:** FW: S62A/2024/0045 Land at Wickham Hall Estate, Bishops Stortford, Uttlesford

Dear Mark

We don't appear to have received this application before, see our response below.

The Mineral Planning Authority has no comment to make in relation to this application as the area of the proposed development site located within the sand and gravel Mineral Safeguarding Area is below the minimum Minerals Local Plan 2014: Policy S8 threshold of 5ha.

Many thanks  
Emma
