Subject: Re: Section 62a submission (non-major) (for Bristol City Council LPA area)

Dear Leanne,

Further to my submission of this planning application on Friday (12th July), I have today been informed by the agent for Vintry Investment Ltd that they only hold the leasehold of the application building, and that Bristol City Council actually own the freehold.

I have therefore today served notice on Bristol City Council Property Services Dept as owner of the freehold, as per the attached letter/notice. I also attach the updated Certificate B confirming this - please note that the notice date for BCC evidently post-dates the submission date for the application - I trust this is acceptable?

Apologies for the late notice on this, but I was not made aware of it previously. I would be grateful if you could acknowledge receipt and confirm that the validity of the application is not compromised.

Thanks and kind regards
Lyn
