To: Section 62A Applications Team

From: Daniel Attree, [REDACTED]

I am writing to object to the above planning application.

Parking has always been a problem in Langton Road, especially at school times and when there are events at the church and church hall.

When I visit my parents I struggle to find nearby parking. When I lived on the road, I had a car written-off when hit while parked, and my mum has also recently had her car damaged due to the number of parked cars in the road and limited space for cars to pass.

Increasing the number of residents (and visitors) at the property will increase the number of cars parking on the road, which will cause further parking difficulties and road safety issues.

Yours sincerely

Daniel Attree
