- 13.6 The Contractor shall in performing the Services comply fully with all relevant rules and regulations of the Department in force from time to time especially when on the Department's premises.
- 13.7 In addition to the other requirements to provide information set out in this Contract the Department reserves the right to request information from the Contractor in order to exercise its responsibilities and/or to fulfill requirements to provide information to the Secretary of State, to account to Parliament and to meet European funding requirements. On occasion, the Department will require urgent information from the Contractor.
- 13.8 The Contractor shall provide the Department or agents acting on its behalf with the information it requires under Clause 13.7 at the times and in the formats specified by the Department. This information shall be of sufficient quality to meet the purposes for which it has been requested.
- 13.9 Failure to comply with any request for information under Clause 13.7, at all or in the required timescales, will constitute a breach of contract.
- 13.10 Where the Department has undertaken an investigation or received a report from an independent accountant (the cost of which may be recharged to the Contractor) or otherwise, in relation to the Contractor, it may, as a consequence of that investigation or report, impose additional Contract obligations upon the Contractor.
- 13.11 The Department (in accordance with [Post-16 audit code of practice - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/612222/Post-16_audit_code_of_practice_-_GOV.UK_(www.gov.uk).pdf)), the European Commission, the European Court of Auditors and/or a Crown Body may at any time conduct (whether itself or by its agents, consultants or advisers) audits.

- 13.12 The Parties agree that they will bear their own respective costs and expenses incurred in respect of compliance with their obligations under Clause 13.10, unless the audit identifies a material breach or malpractice by the Contractor and/or a Contractor Related Party in which case the Contractor will reimburse the Department for all the Department's reasonable costs incurred in the course of the audit.
- 13.13 If the findings of an audit conducted pursuant to this Clause 13 results in the requirement for ILR Data to be corrected and re-submitted the Contractor will re-submit the data to the Department, as set out in Clause 18 (Submission of Apprentice Data), within two months. Failure to do so will be a breach of contract.
- 13.14 The Contractor must comply with any additional Contract obligations imposed under Clause 13.10.
- 13.15 If the Department assesses that the Contractor has failed to comply with any additional Contract obligations imposed under Clause 13.10 within such time as the Department deems reasonable, the Department may take such actions as it deems appropriate which may include, but is not limited to, terminating the Contract in accordance with Clause 24 (Termination).
- 13.16 The Contractor must act in accordance with any requests made by the Department under the Apprenticeship Accountability Framework.

14 Funding and Payment

- 14.1 In consideration of the Services to be provided by the Contractor, the Department agrees to pay the Contractor the amounts set out in Appendix 1 ("the Maximum Contract Value") on condition that the Contractor delivers the Services in accordance with the terms and conditions of the Contract and the Funding Rules.
- 14.2 Payment will not be made in accordance with Clause 14.1 where the Department has reasonably concluded that the Contractor is at serious risk of failure to deliver the Services following a review of the quality of the Services by the Department.
- 14.3 In the event that the Contractor exceeds its Maximum Contract Value without the prior express authorisation of the Department it does so at its own risk. There is no obligation on the Department to make any payment in excess of the Maximum Contract Value unless this has been specifically authorised by the Department in accordance with Clauses 14.4, 14.6 or otherwise. The 16-18 Non-Levy Apprenticeships funding and Adult Non-Levy Apprenticeships funding detailed in Appendix 1 must only be used to fund Apprenticeships and must not be used for new starts.
- 14.4 The Maximum Contract Value may be varied by the Department in accordance with the Funding Rules. Any such variation may result in a reduction or an

increase in the Maximum Contract Value, in accordance with the Funding Rules. Any such variation will take effect only when notified by the Department and Appendix 1 shall be updated accordingly to reflect the variation.

- 14.5 Where the Department identifies that the Contractor is failing to deliver the value of learning of this Contract it reserves the right in its absolute discretion to reduce the overall Maximum Contract Value for that Apprenticeship Programme.
- 14.6 The Department will restrict delivery of this Contract against the Maximum Contract Value as detailed in Appendix 1 up to the Expiry Date. Appendix 1 confirms the Maximum Contract Value available up to 31 March 2025. Where the delivery of the Services within this financial year fails to meet the minimum levels of performance over that period or where the delivery in this period would result in the overall Maximum Contract Value being exceeded, the Department reserves the right at its absolute discretion to vary the Maximum Contract Value accordingly.
- 14.7 In accordance with the Technical Funding Guide, the Department will calculate on a monthly basis the payment of Funding due that month to the Contractor.
- 14.8 In delivering the Services to Apprentices starting onto an Apprenticeship on or after 1 May 2017 the Department reserves the right to give at least 8 weeks' notice in writing of its intention to cease Funding for any new Apprentices recruited on an Apprenticeship from the date specified in the notice. The Department will not be liable to make payments in respect of any Apprentices recruited after the date specified in the notice.
- 14.9 The Department reserves the right to give three months' notice to reduce the overall Maximum Contract Value for any Apprenticeship Programme without the need to give a reason.
- 14.10 Payment by the Department will be without prejudice to any claims or rights, which the Department may have against the Contractor and will not constitute any admission by the Department as to the performance by the Contractor of its obligations under the Contract. Prior to any such payment, the Department shall be entitled to make deductions or deferrals in respect of any disputes or claims whatsoever with or against the Contractor, arising from this Contract or any other contract between the Contractor and the Department.
- 14.11 Where the Department carries out a review, investigation or audit of a sample of the evidence which the Contractor is required to provide under the Contract to support the payments made by the Department and identifies errors in that evidence which it deems are material, the Department reserves the right at its absolute discretion to require the Contractor at the Contractor's cost to procure an independent 100% audit of all or part of the Services by a deadline specified by the Department and/or require the Contractor to repay Funding equivalent to the full amount of the Funding that has been wrongly claimed or paid. If only a sample of the Services has been audited, the Department reserves the right to calculate an error rate based on the said sample and claim repayment from

the Contractor of an extrapolated amount based on the error rate identified and the total value of the Contract. Such amounts may be recovered by making adjustments to data submitted by the Contractor under the Contract, or by raising an invoice for payment by the Contractor, or making deductions from future payments due to the Contractor under the Contract. Failure to settle such amounts by the Contractor will constitute a breach of contract. The decision of the Department as to the amount of recovery under this clause is final.

- 14.12 Where the Department, in accordance with Clause 14.11, identifies errors it may at its discretion review the Contractor's controls and processes to gain assurance the errors will not occur again. Where further assurance work is required this will be at the Contractor's cost (or the Department will procure and recharge to the Contractor at its sole discretion). Where a full funding audit results in a "qualified" rating this will constitute a breach of contract.
- 14.13 The Department may implement a reduction in funding as set out in the Funding Rules through a notification and not a variation pursuant to Clause 40 (Entire Contract/Amendments).
- 14.14 All payments by the Department will be made via BACS.
- 14.15 The Department is generally unable to recover any Value Added Tax charged. The maximum sum payable under this Contract, as set out in Appendix 1 includes the cost of the service and any other VAT or taxes to be charged, where they apply.
- 14.16 Under the provision of Item 5A to Group 6 of Schedule 9 of the VAT Act 1994, the supply of education or vocational training funded by the Department and the supply by the person providing that education or vocational training, of any goods or services essential to that provision, is considered to be an exempt supply for VAT purposes.

15 Review of Contractual Performance and Reconciliation of Contracts

- 15.1 Where the Contractor receives profile payments from the Department, payments will be reconciled to cash earned by actual delivery of the Services or the period to the timetable published in the Funding Rules.
- 15.2 Where the Contractor's actual delivery will result or has already resulted in an overpayment to the Contractor by the Department, the Department will withhold from, or deduct the amount owed from, payments due to the Contractor under the Contract for current or subsequent months or years accordingly.
- 15.3 Where the Contractor's actual delivery has resulted in an underpayment to the Contractor by the Department, the Department will adjust the amount due to the Contractor accordingly. This adjustment shall not exceed the Maximum Contract Value set out in Appendix 1 of this Contract.
- 15.4 Should there be an under or over payment to the Contractor, the Department may at their absolute discretion require a Contract variation.

- 15.5 A Contract review will take place at the end of the period of this Contract in respect of the Services specified in Appendix 1 of this Contract. The Department will notify the Contractor of the actual amount of money, which has been earned against the Services delivered, and compare this to the total profile payments made and to the overall Maximum Contract Value specified in Appendix 1. At this stage final cash reconciliation will take place. Any overpayment made to the Contractor by the Department will be repayable within 30 days of receiving an invoice. The Department reserves the right to reduce future payments to recover any overpayments. The Department will pay any outstanding monies owed, up to the Maximum Contract Value specified in Appendix 1 of this Contract, within 30 days of final reconciliation being completed.
- 15.6 The evidence required in respect of each Apprenticeship Programme is set out in the Funding Rules and the Contractor must retain such evidence for inspection on demand.

16 Prohibited Activities

- 16.1 The Contractor shall not offer or give, or agree to give, to any member, employee or representative of the Department any gift or consideration of any kind as an inducement or reward for doing or refraining from doing, or for having done or refrained from doing, any act in relation to the obtaining or execution of this or any other Contract with the Department or for showing or refraining from showing favour or disfavour to any person in relation to this or any such Contract. The Contractor's attention is drawn to the criminal offences created by the Bribery Act 2010. Any offence by the Contractor or its employees or by anyone acting on its behalf under the Bribery Act 2010 in relation to this or any Contract with the Department or His Majesty's Government shall entitle the Department to terminate the Contract and recover from the Contractor the amount of any loss resulting from such termination and/or to recover from the Contractor the amount of value of any gift, consideration or commission.
- 16.2 The Contractor shall not enter into any Contract with any political or religious organisation using any Funding provided by the Department under this Contract if the effect of that Contract would be to promote a particular political or religious point of view.
- 16.3 The Contractor shall not hold itself out as acting on behalf of the Department.

17 Data Protection and Protection of Personal Data

- 17.1 The Parties acknowledge that for the purposes of the Data Protection Legislation, the Department on behalf of the Secretary of State for Education is the Data Controller and the Contractor is the Data Processor only for the processing set out in Schedule 2 (Processing, Personal Data and Data Subjects) (i.e. submission of Apprentice data to the Department).
