Product Description	An electric pink ride on car with black seats, steering wheel and wheels.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Fire
Risk Description	The affected products present a serious risk of fire as it has been identified that a number of products may have been produced without a fuse. This could result in a short circuit of the wiring, potentially melting the wires and causing smoke or a fire. The affected products do not meet the requirements of the Toys (Safety) Regulations 2011.
Corrective Measures	The affected products have been recalled from end users. Affected consumers are advised to stop using the toy immediately, check if you have an affected batch and if so, return it to your nearest store. For further information, please access the Argos recall site at the following link: https://www.argos.co.uk/events/safety-product-recalls
