PSD Number	2401-0128
Product Type	Electrical appliances and equipment – Lithium Battery Charger for Electric Balance Scooter
Product Identifiers	Model number: szYB-29410
Product Description	The product is a lithium battery charger intended for an electric balance scooter.
Country of Origin	China
Counterfeit	Unknown
Risk Level	High
Risk Type	Fire
Risk Description	<p>The product presents a high risk of fire as the plug does not meet the dimensional requirements of the relevant standard. If the plug is forced into the socket with use, as a result of the incorrect plug size, it could cause damage to the socket and the plug to overheat and ignite. Additionally, internal components were insecurely fixed to their respective terminals, with no barriers to prevent detached wires from reducing creepage distances and clearances to levels below the minimum required.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs & Sockets (Safety) Regulations 1994.</p>
Corrective Measures	The import has been rejected at the border.
