This request for information is a notice sent to you pursuant to powers granted to the Valuation Officer under paragraph 5(1) of Schedule 9 of the act. Why your information is important

The VOA uses the information provided by all businesses in England and Wales to set rateable values.

These are used by your local council to calculate your business rates bill.

Rateable values are based on the annual rent for a property as if it was available on the open market on a fixed date.

Providing this information helps us get the rateable value correct and ensures your local council can calculate accurate business rates for your business.

How to submit this form

Please save your completed PDF and send it as an email attachment to: specialist.rating@voa.gov.uk

I believe that the information requested will assist me in carrying out functions conferred or imposed on me by or under part III of the Local Government Finance Act 1988 (concerning non-domestic rating), including compiling a new rating list or maintaining an existing rating list.
