Background

On 29th March 2019 the ESF Managing Authority (MA) launched the new ESF Online Digital Service for Applications and Appraisals.

All ESF open calls published from that date onwards will instruct applicants to submit their Full Application via the ECLAIMS system.

The new ESF Online Digital Service also applies to ESF Co-Financing Organisations who want to submit a new Full Application for ESF funding.

To support the move to online Full Applications for ESF Co-Financing Organisations, a new 'ESF CFO Online Full Application Guidance' product has been published on GOV.UK.

This is in addition to the new 'ESF Financial Annex – Simplified', new 'ESF Granular Budget – Sample Template' and existing ESF Indicator Annex already published on GOV.UK prior to the launch of the new online service.

Action

Co-Financing Organisations wishing to submit a new Full Application for ESF funding should, from the date of this Action Note, complete and submit their Full Application online via ECLAIMS, as per the published CFO Online Full Application Guidance.
